FRESH AIR - Stock #2425
 Destroys such odors as smoke, decay, urine, feces, solvent, gas, vomit, cooking, animal and more. Safe and easy to use. Use almost anywhere, to freshen and deodorize bathrooms, kitchens, offices, sickrooms, hotel rooms, auto interiors, closets, lockers, chests, showers and around garbage receptacles.

NO FLASH II - Stock #1473
 A residue-free, super fast drying, high power spray that dissolves grease and rinses away dirt and grime without injury to working parts. Features a 36,200 volt dielectric strength. High dielectric strength combined with non-flammability makes this the only degreaser safe for use on motors, generators, relays, and control panels, even while equipment is in operation.

SPRAY & SHINE II - Stock #1460
 Dusts and shines in one simple step. Removes dust, smudges, smears and fingerprints. Features a soak-in formula that restores life and brilliance to wood surfaces. Use on laminated plastic, blinds, cabinets, appliances and paneling. Eliminates dust flyaway and leaves a lasting shine.

HIT & RUN II - Stock #2404
 A powerful, thick, clinging foam which removes dirt, lint and grease from air conditioner and heater coil fins. Portable aerosol features a strong directional spray which helps force foam into coil air spaces. Water-based foam creates no harsh vapors and leaves a fresh natural scent.

BRILLIANCE - Stock #2419
 A quality blend of proven cleaners, 100% natural beeswax and special oils, that cleans, waxes and polishes in one step. BRILLIANCE removes dust, smoke, smudges and stains, leaving behind a durable, 100% beeswax shine and a fresh, lemon scent. BRILLIANCE combines the rich gloss of paste wax with the ease of aerosol application.

TRIPLE OPTION - Stock #2437
 A combination of insecticides offering quick knockdown of flying insects and residual kill of crawling insects for up to 6 weeks. Seeks out bugs where they hide and kills on contact.

DRI-MOL - Stock #1405
 An extreme range lubricant and anti-seize coating that withstands temperatures from -110°F to +1050°F. Resists pressures up to 100,000 psi. Inert to water, oil, alkalies and many acids. Dry film coating will not attract dirt or dust. Provides lubrication even under salt spray conditions.
